The screenshot shows a web browser window with the URL `cloud.ibm.com/registration?&featureCode=1d012efb7704709857f37bde4380276d`. The page is titled "IBM Cloud" and displays the "Verify email" step of the registration process. The user's email address, `safreen2002@outlook.com`, is shown at the top. The verification code `9880093` has been entered into the designated field. Below the code field are buttons for "Next" and "Resend code". To the right of the verification form, there is a section titled "Build your journey to public cloud" with the text "Build, deploy, and manage solutions in IBM's public cloud." Below this, there are radio buttons for "Personal information" and "Account notice", and a "Continue" button at the bottom. The page also includes a "Cookie Preferences" link on the right side and a copyright notice at the bottom: "© Copyright IBM Corp. 2014, 2022. All rights reserved."

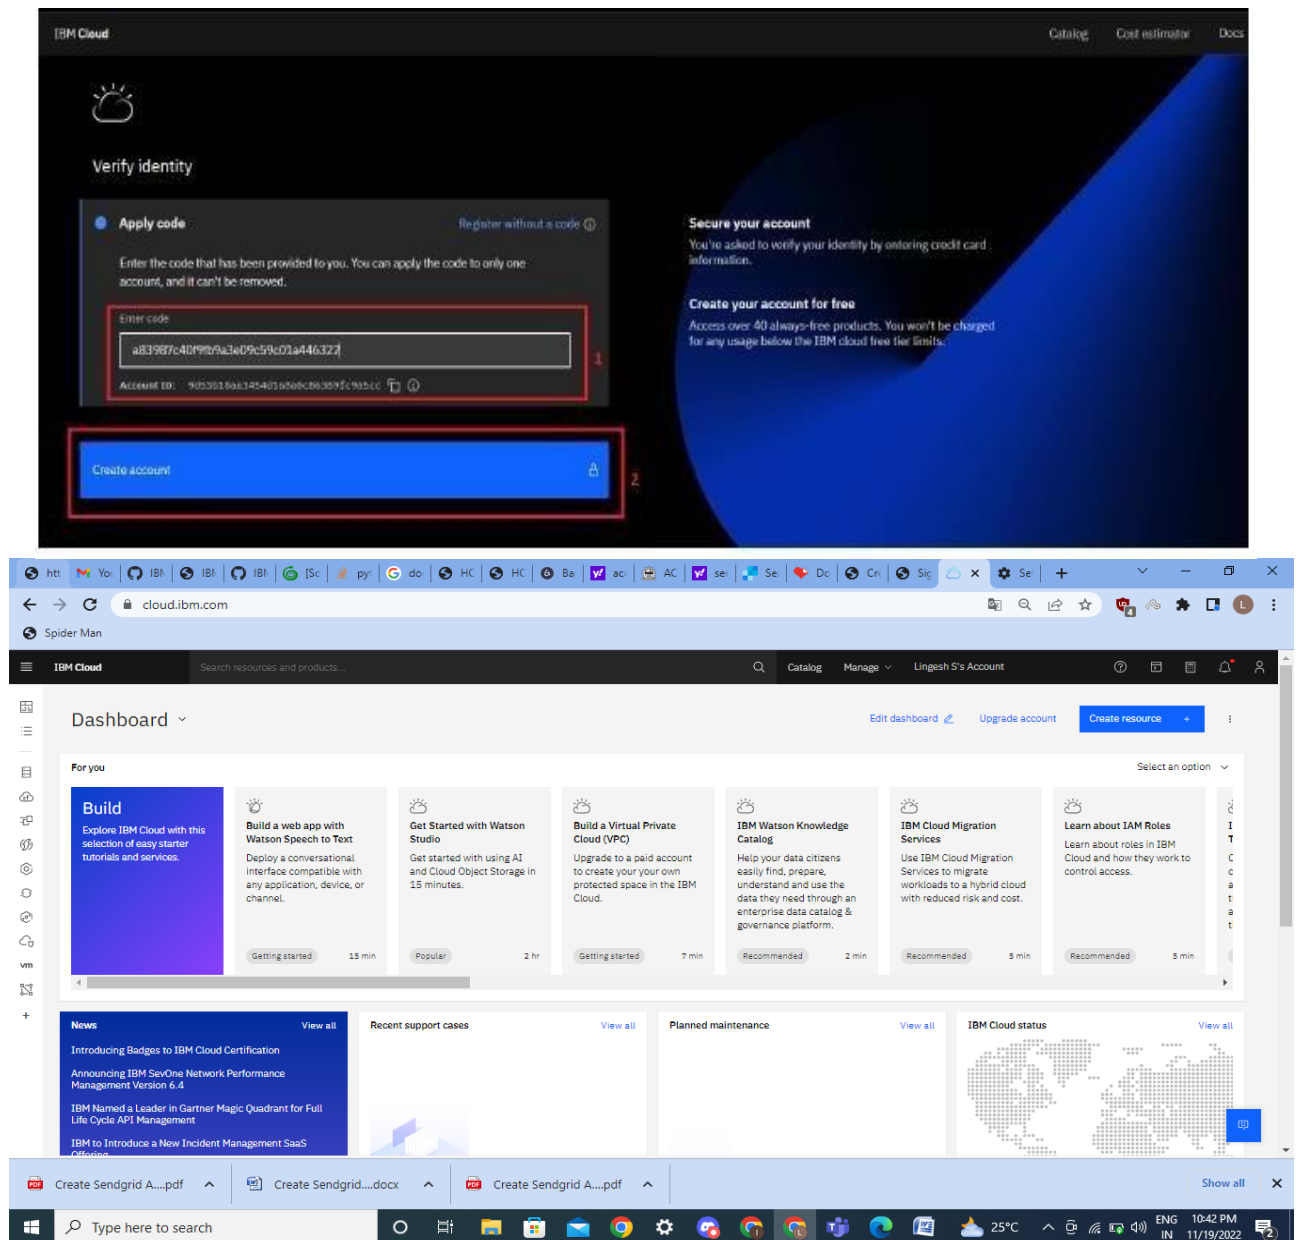

10. Provide personal information and click on next

11. Accept the terms and conditions then click on continue

12. Review account privacy notice mark the checkbox then click on continue

11. copy the feature code or continue with the filled feature code then click on create account

Output :

Cloud account created successfully.
